Risk Assessment

Frequency:

4 Often

1 or more time/day

3 Frequently

1 or more times/week

2 Occasionally

1 or more times/month

1 Rarely

Less than once/month

Severity:

4 Catastrophic

Serious injury/death

3 Critical

Probability high for medical aid, serious injury, minor illness/damage

2 Marginal

First aid type injury, minor illness/damage

1 Negligible

Injury/illness/damage not likely to occur

Probability:

4 Will very likely occur

Expected to happen

3 Could probably occur

Has better than 50/50 chance of happening

2 Possibility of occurring

Known to have happened

1 Practically impossible to occur

No historical data

Risk Ranking Total (Add Frequency + Severity + Probability): _____

Description of Incident

1. Antecedent: What was happening before the behaviour occurred or possible triggers?

2. Behaviour: What client/staff actually did i.e. Agitation, Repetitive behaviour, Physical aggression, Property damage etc?

3. Consequences: What you did to manage the behaviour?

Did the incident result during a task that is part of this person's regular routine? No Yes

What do you think could have been done to prevent this incident from happening?:

Is there another agency involved in the incident?: No Yes

If yes, Agency Name: _____

Staff Signature: _____

Date: _____

Office Use Only*

Confirmed type of report: Incident Near miss Illness

Elevated to CIR: No Yes

Has there been a similar incident? No Yes

NCI/CPI Techniques Used

Disengagement

Push/pull:

Wrist
Clothing
Turning Away
Bite
Body

Hold and stabilize:

Wrist
Clothing
Turning Away

Lever:

Wrist
Clothing
Turning Away
Neck
Hair
Body

Physical Holds

Team control (2 staff)

Standing position (2/3 staff):

Low level
Medium level
High level

Seated position (2/3 staff):

Low level
Medium level
High level

Supine-floor (3+ staff)
